SHYLO TECHNOLOGIES

COMPANY PROFILE
HOSUR · BENGALURU

Stop running your factory on Excel. Start running it on live data.

We build dashboards, custom apps, websites and automation for factories and growing businesses. One team that designs, builds and supports it.

Your Excel & machine data + Live dashboards + Custom apps + Automation = A smarter business

What we build

Dashboards
Power BI, Tableau and custom web dashboards. OEE, target vs actual, cost and energy, ready every morning.

Custom apps
Tracking, approvals, inventory and quality apps on web and mobile.

Websites
Business sites and online shops with WhatsApp, Maps and UPI payments.

IoT & automation
Machine data pipelines, missing-data alerts, automated reports.

AI & cloud
AI assistants, document AI, Microsoft 365 & SSO setup.
